## **Day 1- Wednesday, June 17th : Lunch made by French Nuns, Villa Louis & Potosi Brewery | Overnight Hotel Julien in Debuque | Lunch Included**

First thing in the morning, we will head through the beautiful rolling hills of western Wisconsin. We will enjoy a made-from-scratch French gourmet lunch at Saint Francis Hermitage. Here, French nuns create unique dishes and organic desserts fresh every day at this farm-to-table restaurant. In the afternoon, we visit the historic Villa Louis, beautifully situated along the Mississippi River. Step back in time on a special guided tour and afternoon tea with author, Mary Elise Antione, as we learn about the three generations of Dousman women who lived in this home. Next, we will tour Potosi Brewing Company, see their state-of-the-art facility and try a few beer samples. Then, we will check into the Hotel Julien. This beautiful hotel is a historic landmark and is located right in Dubuque's Old Main District. Enjoy time to explore Dubuque, grab some dinner, or maybe take a ride up the Fenelon Place Elevator to get some of the best views in Dubuque!

## **Day 2 – Thursday, June 18 th : Tiffany Windows, Botanical Garden, City Tour & Dickeysville Grotto | Breakfast and Lunch Included**

In the morning we will explore Dubuque on a guided city tour. We will make a few stops throughout the morning. First, we will visit St. Luke's to see their more than 100 Tiffany-stained-glass windows. Next, we will explore the Dubuque Botanical Garden, which will be in full bloom when we visit. Learn all about how local volunteers keep these gardens looking beautiful. In the afternoon, progress through three Dubuque historic sites, enjoying entertainment, music and delicious food. Plus, there will be a few surprises along the way, including some sweet samples. We will then start making our way back to Milwaukee, first visiting Sinsinawa Mound Center to learn about Father Samuel Mazzuchelli, the Nuns of Sinsinawa, and their famous cinnamon bread. Next, we will tour Dickeysville Grotto, built from materials and found objects from all over the world, before we return to the Woman's Club of Wisconsin with wonderful memories of our time together.
