Lunch Included

After departures from your selected pick-up locations, we'll enjoy lunch at one of the Obamas' favorite Chicago restaurants, a place they frequently visited while living in the city. Along the way, your tour guide will share fascinating stories about Chicago's history, notable landmarks, and the many connections between the city and the Obama family—including a stop near the famous "Obama Kissing Rock," where Barack and Michelle shared their first kiss.

This afternoon, experience the newly opened Obama Presidential Center Museum, a one-of-a-kind destination designed to inspire visitors of all ages.

What you will see at the Obama Presidential Center:

20 Art Installations: From their time in the White House to the creation of the Obama Presidential Center, the Obama family has embraced the arts as a powerful way to inspire, empower, and bring people together.

The Museum: Explore four levels of exhibits that trace the story of the First Family alongside the social movements that shaped and supported their work.
